Dear Samler:

I started to call you, but decided to write instead, as it would give you time to think over all these things. I dont want to write for the park in Patterson until I am sure everything is alright. You know I had to cancell out the date when Pompey would not come back to play, and I dont want to have any more cancellations.

Now I told you the park rent is \$40.00, and we give the sportswriter of The Patterson Evening News 5% of the net. We also have to take adds in the two papers \$5.00 each. They really give us the papers for this. Now the radio station WPAT has come to me with time to sell. They offer us an announcement at the following times, 1 Wednesday afternoon, 1 Thursday afternoon and Morning, 1 Friday afternoon and morning and 1 Saturday morning or noon. This would cost \$24.00 \$4.00 each. I would be willing to pay for this radio publicity, with the understanding if we do not make any thing I will pay the bill, if we do have a good day you will pay half. I think it is worth the gamble. We still have the placards to pay for, plus distribution.

I think we should start to play about 5 or 5.30. What do you think? Do you know any one over there who might be able to help? Please let me hear from you right away. Call or wire me if the date is OK, July 17th under these conditions. If not what do you want to leave out.

I received a letter asking me if two league teams want to come to Bayonne to play for \$100.00 each team. Let me know if you are interested.

Very Truly Yours
